

Toddler Tunes

Ages 18 Months to 3 Years

Toddlers absorb music instantly. The repetition of simple songs, melody patterns, and rhythms provide toddlers with "remembered experiences" that will serve as a basis for future music development and enjoyment. Toddler Tunes is a joyful music experience full of singing, rhythms, finger plays, active movement, and keyboard exploration.

Come join us this fall for our new theme, "Back To School". Each week your child will sing, dance, play rhythm instruments, and explore the keyboard and many more musical activities.
