

# Music In Me

Ages 3 to 4

Music in Me is a dynamic music program for young children. It emphasizes ear training, solfege singing, movement, rhythm studies, and keyboard activities. Students will learn about the keyboard, find high and low notes, and be introduced to the staff with line and space notes, note values and much more.

Between singing and rhythm instrument playing, these lessons ensure young students learn more important musical skills while having fun!!!! Parent participation is required.
